

CLEARCO YARN LUBRICANT

Use on Yarns, Threads & Fabrics

Clearco Yarn Lubricant is a Non-Reactive Mixture of Waxes and Stainless Liquid Lubricants for Yarns, Threads and Fabrics. Yarn Lubricant deposits a film of stainless lubricant on the yarn that reduces friction and static, and allows the yarn to run smoothly without broken ends or frayed filaments.

This product can also be used as a Sewing Thread Lubricant. Simply dip entire cone into lubricant for 30 seconds. This keeps the needle cool and prevents thread breakage and skipping

FEATURES

- Reduces Friction and Static
- Prevents Broken ends and frayed filaments
- Non Silicone - Will not interfere with dye or adhesives
- Prevents Thread Breakage and Skipping
- Easier Needle Penetration
- Stainless – Odorless
- Lubricates needle

PROPERTIES

Form	Liquid	
Appearance	Clear-Colorless	
Weight per Gallon	6.5 lbs.	
Color Stability	Excellent	
Resistance to Degradation	Excellent	
Solubility	Oil Soluble– It is Not Water Soluble	
Availability	5 Gallon Cube Containers with Spigot. 30 & 55 Gallon Drums	
Flammabiity	HMIS Rating 2	
CAS Information	Petroleum Solvent	CAS-6472-48-9
	Petroleum Mineral Oil	CAS-8042-47-5
	Paraffin Wax	CAS-64742-43-4
	Stearate, Methyl	CAS112-61-8

Reduces friction & static

Lubricate Needles

HOW TO APPLY

DIPPING:

Dip the entire cone into the Yarn Lubricant. It takes about 20 seconds to penetrate a one lb. cone of cotton thread. Synthetic threads may require a second application.

KISS ROLLER/WICK

Clearco Yarn Lubricant can be applied by Kiss Roll in winding. Pickup levels will vary according application and type of yarn. There is no need to heat the lubricant in the trough. In fact, heating is not recommended. Wick lubrication or immersion can also be used.

SPRAY:

Spray directly on yarn in looms and warp. Also, spray peddles and parts that come in contact with yarn.

SPECIAL FEATURES:

PERFORMANCE

Clearco Yarn Lubricant is specially formulated. It will, ultimately, **Speed Production & Eliminate Downtime.**

ENVIRONMENTAL

Yarn Lubricant contains no CFC's or any other Ozone Depleting **Chemicals. It is Odorless, Non-Staining & Greaseless**

ECONOMICAL
